

Motor Vehicle Record Review

Name:	
Social Security:	

I have reviewed the driving record of the above named driver and have carefully considered the accident record: any evidence he/she had violated laws governing the operation of motor vehicles, especially such violations as: speeding, reckless driving and operation while under the influence of alcohol and drugs, indicating the driver has exhibited a disregard for the safety of the public. The Motor Vehicle Record (MVR) results were also applied to the standards of this company in ~ Company Driving Policy. Having done all the above, I find that:

- ☐ The Driver meets the minimum requirements for safe driving; or
- ☐ The attached sheet outlines the disciplinary action taken; or
- ☐ The Driver is disqualified from driving a motor vehicle.
